

P64AX c/w 4 Core 1.00mm<sup>2</sup> 2m PVC Lead

P64AX/1.0PVC/2

Technical Properties

|  |                                |
|--|--------------------------------|
| Rated operational voltage U <sub>e</sub> | 207/230/253 V                  |
| Cable Material                           | PVC                            |
| Cable End                                | Prepared - Barrel Crimped Ends |
| Cable length                             | 2000 mm                        |
| Colour                                   | pure white                     |
| Conductor Size                           | 1 mm <sup>2</sup>              |
| Contact Material                         | Phosphor Bronze                |
| Inflammability                           | UL 94 V0                       |
| Mechanical Load                          | 5 Kg maximum                   |
| Number of terminations -plugs            | 4                              |
| Rated current                            | 6 A                            |
